Join us on National Patient Advocacy Day as we raise our voices and shine a light on cervical cancer awareness. You'll connect with other cervical cancer patients, and survivors, hear their stories, and be able to share your own! Learn about useful resources available to you, too. Together, we can create a brighter future for ending cervical cancer. Don't miss this empowering event!

Are you a cervical cancer patient or survivor?

Saturday, August 19, 2023
2:00 PM - 4:00 PM
Lua Brewing
1525 High St
Des Moines, IA 50309
