

NO MORE **IN 2024** Fundraising Tips

Thank you for supporting Cervivor! It is because of supporters like you that we are able to continue our programs and support those affected by cervical cancer! The Cervivor Team is here to support you, and you can reach out to info@cervivor.org with any questions about your fundraiser. Please see below for a few tips to help set you up for success and make your fundraiser fun and easy!

1. Think Outside the Box

Find an activity that uses your talents, excites you and that you think you can get others excited about too. From a bake sale, workout class or fundraising page – every activity can be a successful and fun fundraiser! And remember, a successful fundraiser doesn't have to be complicated or take a lot of time out of your busy life, choose what works best for you!

2. Know Your 'Why'

Write a short sentence or two for yourself when you start your fundraiser about why you are hosting this fundraiser for Cervivor.

3. Set a Fundraising Goal

A goal will inspire you and your community and give you something to celebrate. Set a goal that feels attainable (or even a stretch) while it may feel intimidating, you'll likely find that you'll do even better than you thought!

4. People Give to People

People give to people, not just causes. When doing outreach, share as much of your story as you are comfortable with, and let people know why ending cervical cancer is so important to you. This is often one of the most critical parts of your fundraising success.

5. Ask Your Community

Ask your community to consider supporting your fundraiser (and ask again): Asking is intimidating, but it doesn't have to be. Write a short script, outline or email as a template and, when you can, make it personal to those you are asking. It takes the average person 3-5 asks to make a donation. Don't be afraid to ask in different ways – sending invitations, calls, texts, etc.

6. Say Thank You

Nothing makes people feel more special than a thank you. Show how much you appreciate your donors' support with a call, text, handwritten note or even a social media shoutout!
