

We Are  
**cervivor**<sup>®</sup>  
informed. empowered. alive.

**Our vision is a world FREE of cervical cancer**

## Who Are We?

Cervivor is a global community of patient advocates who inspire and empower those affected by cervical cancer by educating and motivating them to use their voices for creating awareness to end stigma, influence decision and change, and end cervical cancer.

No matter how much or to what extent you want to get involved, we believe that each of you can work with us to ensure that others do not suffer or die from cervical cancer.

## Cervical Cancer Facts

- 13,000+ women diagnosed in the U.S. each year
- Over 90% of cases linked to HPV
- Cervical cancer is the fourth most common cancer in women worldwide
- 350,000+ women died from cervical cancer in 2022 (World Health Organization)
- Cervical cancer is almost always preventable through routine screenings and HPV vaccination

## Get Involved

From care team to community member, your role in cervical cancer awareness, treatment, support, and prevention is of the utmost importance to us.

- Partner with Cervivor on a local initiative, research project, advisory boards, etc.
- Have a Cervivor speak at a local or virtual event
- Create a fundraiser on behalf of Cervivor
- Be a potential speaker at an upcoming Cervivor-hosted event
- And much more!
